

COMPANY PROFILE

Established in 2004, Al Baraka Logistics is a leading transport and customs clearing company in Bahrain and the GCC, owned by Mr. Abdul Aziz Abdul Wahid Jassim Qarata. With a strong reputation for reliability, efficiency, and competitive pricing, we specialize in seamless cargo transportation and customs clearance, ensuring timely deliveries and exceptional customer satisfaction.

Vision:

To become the preferred logistics partner in the GCC, offering end-to-end supply chain solutions, including port operations, warehousing, customs brokerage, and freight forwarding.

Mission:

"Excellence. Simply Delivered." Focuses on simplifying customer lives, making positive contributions to the transport market, and demonstrating respect in achieving results. We strive to:

- Simplify logistics for our customers.
- Drive innovation in the transportation sector.
- Maintain integrity, respect, and sustainability in all operations.

Strategy:

Al Baraka Logistics is expanding its footprint in emerging markets and e-commerce logistics, reinforcing our commitment to:

- Operational Excellence – Delivering reliable and cost-effective solutions.
- Customer-Centric Approach – Ensuring satisfaction through tailored services.
- Sustainable Growth – Balancing profitability with social and environmental responsibility.

Values:

We prioritize our stakeholders, customers, employees, investors, and the planet by pursuing goals in their interest. We value interactions through excellent services, employee development, and long-term market investments. Our corporate responsibility programs, under "Living Responsibility," demonstrate community concern.

Services:

At Al Baraka Logistics, we take pride in delivering end-to-end logistics solutions tailored to meet the dynamic needs of businesses across Bahrain and the GCC. Our services are:

A) Customs Clearing Division

Operating 24/7 across three strategic locations:

1. King Fahd Causeway
2. Khalifa Port
3. Airport Cargo

Services include: Customs documentation, DHL & ARAMEX coordination, and seamless cargo clearance.

B) Transport Division & Freight Forwarding

At Al Baraka Logistics, our Transport Division is the backbone of our operations, ensuring seamless and reliable movement of goods across Bahrain and the GCC. Backed by a highly skilled team, advanced fleet management, and a customer-centric approach, we guarantee safe, timely, and cost-effective cargo transportation solutions.

Key position:

Al Baraka Logistics' management, led by experienced Managing Director Abdul Aziz Abdul Wahid Jassim Qarata, has over 48 years of experience in the transportation industry, exceptional customer service, and database management skills.
